

**For Immediate Release**

**Techsol Joins Canada Trade Mission to Mexico**

[www.techsol.ca](http://www.techsol.ca)

DELTA, BC., February 13, 2002 – Technical Solutions Inc. , today confirmed the company will send a representative to participate in the upcoming Canada Trade Mission to Mexico, February 25 -27, 2002.

Techsol President, Brian Empey will represent this company and has several meetings scheduled in Mexico City with selected Technology and Telecommunications leaders.

“We are honoured to be selected among the 12 companies to represent Canada on this Trade Mission. We hope to open several doors for our **Medallion** products and help Mexico upgrade their technologies into the 21<sup>st</sup> century. We have received substantial interest from Mexico in our **Medallion** products and expect to use this opportunity to introduce our product line in Mexico.” says Jorge dos Santos, Product Manager.

For more information on **Medallion** products, please visit the Techsol website, or contact Techsol directly by telephone (604) 946-8324 or [Sales@techsol.ca](mailto:Sales@techsol.ca)

**About Technical Solutions Inc.**

Technical Solutions, is a privately owned corporation that offers a proprietary technology that translates into vast performance improvements in hundreds of current and potential applications in which low power and small physical size is vital.
